Sherilynn J. Kimble, Executive Director
The Caring Center
3101 Spring Garden Street
Philadelphia, PA 19104

Dear Sherilynn:

Another job well done! Unfortunately, I must inform you that Blake will not return to The Caring Center for the new school year and that his last day of enrollment will be Friday, August 31, 2007. Blake will be attending Germantown Academy when the new school year begins.

Once again, I thank you and your entire staff for the superior care you have provided for yet another of my children. Blake will truly miss everyone associated with The Caring Center. The dedication and the commitment of your staff to early childhood education provided Blake with a nurturing environment in which a solid educational foundation was built and I am confident that he is prepared to face the educational and social challenges his new environment will present.

Never stop providing your style of superior childcare, so parents like myself will continue being reassured of their child's well being each day when they've made that heart-wrenching decision to leave their child in the care of another.

Warmest regards,

Terri Hilley-Battisto
